HOW TO BID - This is a **POSTAL AUCTION** and operates in the same way as any Public Auction except you do not need to attend our premises to take part. Simply enter on the Postal Bidding Form overleaf the maximum amounts you are prepared to pay for as many of the lots you wish to bid on and return it to us in the enclosed pre-paid envelope. **PLEASE REMEMBER TO SIGN THE BID FORM.** We will enter these bids on your behalf and buy at the lowest possible price subject to other bids received and reserves. 453	1897 "Port Vila" 1d black & magenta. An u/m never hinged NW corner "AUSTRALASIAN NEW HEBRIDES COMPANY LIMITED" imprint block of ten with Sheet Number "0,616" in top left-hand margin. These local stamps were genuinely issued to prepay postage but are regarded as CINDERELLA STAMPS. The Australasian New Hebrides Company took on the responsibility for handling mails for the NSW Postal Agency and by 1897 the Company decided to charge for inter-island delivery of letters, to and from Vila, New Hebrides and Sydney. Two stamps were printed for the purpose, 1d and 2d - the 1d stamp was the letter rate per ½ ounce and the 2d stamp was the registration rate. Both were issued on 17 March 1897 and were lithographed by John Sands and Co. of Sydney, on heavy, wove unwatermarked paper and rouletted 8½. The Company soon failed and on 1 September 1900 the use of the these stamps was specifically forbidden.	£40
454	1911 Registered cover to Sweden with its original letter in French, written & signed by the Postmaster, Mr. A. Deschamps, who was appointed as Condominium Postmaster in 1910. This cover has an unusual mixed usage of English & French language stamps, 1d red (SG 2), 2½d dull purple & blue/blue (SG 6), 5c green (SG F1) & 10c carmine (SG F2), all cancelled with a Port Vila postmark dated "7 AUG '11". The 2½d (25c) paid the non-colonial rate & the 2½d (25c) paid the registration fee. The reverse shows a transit mark for "SYDNEY" dated "AU 24 '11" and an arrival mark for LINKOPING" dated "30 9 '11". The letter appears to have interesting information about the non-availability of certain stamp issues. Scarce correspondence from the postmaster.	£450

NEW HEBRIDES - ENGLISH ISSUES

Lot	Description	Est.
457	1929 Tourville parcel piece to New Caledonia with SG 40-42 & SG 43 all cancelled with the rare "PAR AVION" hand stamp, and tied to front with "PORT VILLA" postmark dated "16 JL '26". In 1929 there was an abortive attempt at an inaugural airmail service. The French cruiser "Tourville" was visiting the South Pacific & was to use it's seaplane to collect & deliver mail between island groups. The Condominium Postmaster therefore had a "PAR AVION" hand stamp prepared, which was applied to all stamps after they had been affixed to the Tourville mail & before cancelling the stamps with a Vila postmark. There were reported to be 800 items of mail (though most have been lost). Unfortunately the seaplane broke-down & instead the mail shipped to New Caledonia. Stamps with the "PAR AVION" hand stamp are scarce. This is the only example that has been seen to have SG 40-42 with the "PAR AVION" hand stamp & is exceedingly rare. The additional hand stamp, clear of the stamps, is also unusual & possibly unique.	£350
